His Excellency Stephen Leven, Archbishop of San Antonio.

To His Excellency

ANTONIAN HIGH SCHOOL

6425 WEST AVENUE
SAN ANTONIO, TEXAS 78213

ANTONIAN BUILDS BETTER MEN

The motto of our school is a statement of the purpose of a Catholic School -- to build better men. Through the various functions and facilities of Antonian High School, each student is given endless opportunities to discover truth. In his endeavor to make this discovery, each individual gains understanding of himself and of his world. This understanding enables the student to become a better Christian and a more intelligent member of a free society.

It is the sincere wish of the staff of Antonian that each student avail himself of the opportunities presented by the school to grow "in wisdom, age and grace before God and Man."
